The American Pyrotechnics Safety & Education Foundation is a 501(c) 3 charitable organization focused on creating fireworks safety and education programs for youth, including:

- The history of fireworks
- The science underlying fireworks
- Proper use and potential misuse of fireworks

The goal behind these educational efforts is to instill in young people an understanding of how fireworks should be used appropriately, discourage misuse of fireworks, and decrease the number of fireworks-related injuries in the U.S.
